Hello! My name is **Carlos Fernery Cano Ospina**. I'm **49 years old, happily married**, and a proud father of **two daughters**. I live a dynamic and fulfilling life, balancing my personal passions with my professional career.

For **14 years**, I worked at **SENA**, specifically at the *Centro de Industria e Innovación Tecnológica de Dosquebradas* and at the *SENA de Comercio de Pereira*, where I served as an **On-site Technical Support Technician in Systems**. Those years were full of learning, growth, and service. Currently, I'm part of the amazing team at **Hospital Santa Mónica de Dosquebradas**, continuing to apply my tech skills to help others.

When it comes to hobbies, I'm definitely a guy with passion. I'm a huge fan of **anime and comics**, especially anything related to **Superman**—he's my ultimate hero (and let's be honest, we all need a little Superman energy sometimes). My favorite colors are **blue, white, red**, and **black**—bold colors that reflect my energetic and driven personality.

In my free time, you'll most likely find me **swimming** (which I absolutely love), or **working out at the gym every night**—fitness is a big part of my routine. I'm also crazy about **car racing**—**NASCAR, Formula 1, Rally**—you name it! There's something about the speed, the adrenaline, and the strategy that fascinates me.

In short, I'm a tech-savvy, superhero-loving, car-racing enthusiast who never skips a gym session and believes in living life with energy and purpose.
